

HEALTHCARE SLP INTERVIEW QUESTIONS

- Why is there a need for a traveler?
- What is the schedule?
- How many beds are in the facility?
- What is the speech caseload like (numbers and types of patients)?
- Where does the SLP typically treat patients? (SLP office, rehab gym, in their rooms)?
- Is there a productivity expectation?
- What documentation system is used?
- What is the orientation process like?
- Will I need to build the caseload?
- Am I provided with an ipad/laptop and is there reliable internet in the building?
- What is the dress code?
- What is the structure of the rehab department?
- What assessments/materials are available for speech?
